

## Package Two

# 'Your Business Incubator'

New South Wales has a highly skilled and highly educated workforce, world-class infrastructure and sophisticated services. Australia's stable, low risk environment delivers a high level of business confidence and sits on a convenient time zone that is compatible with those of the United States and Asia.

The 'Incubator' package from Your Australian Business is all you need to create, establish and start building your brand in Australia and South East Asia. From an office location anywhere in Australia to immigration advice, operations, a sales and marketing review to on the ground localised expertise – **one company, one package.**

This exclusive package will have your business in the fast lane in no time at all – enjoying the financial returns of a growing global business and the rewarding lifestyle that only Australia can provide.

Your Business Incubator package includes:

- Virtual office location (3 months)
- Communications pack (3 months)
- Immigration advice and review
- Initial visa
- Trade mark registration (one class)
- Operational structure review
- Sales strategy 'think tank' session
- Marketing strategy 'think tank' session
- Local network membership
- Virtual board meetings (quarterly)
- HR templates and support (3 months)
- Email/Domain hosting (12 months)
